MADE SANJAYA

FROND-END DEVELOPMENT

< >

PROFILE

Hello, My full name is I Made Adi Putra Sanjaya, you can call me Made Sanjaya or Sanjaya. I'm from Gianyar City, Bali, Indonesia.

I have a great interest in Front End Development, I'm excited to see how my code work turn into the look I want. With 3 years of experience as freelancer, I can quite make a website look and have experience work as an individual or as a team.
